

Orphism

!!!!!!!!!!!!!! startling first love blossoming first kiss
!!!!!!!!!!!!!! eyes concentric crescents pouring rainbows
!!!!!!!!!!!!!! on top of the sky both Delaunay's bliss
!!!!!!!!!!!!!! big pregnant bellies bare under the sun
!!!!!!!!!!!!!! soaring hugging twirling faster faster
!!!!!!!!!!!!!! warm bikes across town your bed sleeps in arms
!!!!!!!!!!!!!! silly recite sing so we howl so full

..... it just forgot how oh what oh i miss
..... stay shave go stolid furrowed and but close
..... tattered ta ears downhill fire christmas
..... like aborted static of tv done
..... hewed defenestrated infer infer
..... polluted stars settles cackle alarms
..... but yet however no and no stop pull

. . . and even so
(. . .) (away we go)
