

Teenage Angst

Paul's out there getting laid.
i'm stuck at home feeling betrayed.
nobody likes me, so i guess i'll cry.
and drink myself to death, good fucking bye.

teenage angst!
Every one hates me.
teenage angst!
i'm concerned about the size of my pee pee.
teenage angst!
i'll always be alone.
teenage angst!
with my fist wrapped around my boooonnnneeee.

Emily's out tonight and she's fucking some guy.
i just smoked a pack and a half and drank till i was blind.
she's probably unsatisfied with the size of my dick.
and i know it's not that long, but baby is it thick!

teenage angst!
my woes are unique.
teenage angst!
my whole life's looking bleak.
teenage angst!
when will my tears run dry?
teenage angst!
i'm questioning if i like guuuuuuyyyyssss.

my car's a joke, and i'm always fucking broke.
my life's so lame, my parents are ashamed.
i'll never find, the love of my life.
so i guess i'll go grab a knife.

TEEN-AGE ANGST!
TEEN-AGE ANGST!
TEENAGE ANGST
TEENAGE ANGST
TEENAGEANGST!!!!
